Dress up your terrace, balcony or home for the Christmas holiday with Entac Icicle Christmas Lights! It is perfectly suitable for covering and lighting windows and larger wall areas. Due to the vertical, icicle-shaped arrangement of the LEDs and the 8 different lighting modes, a great variety of light shows are available.

Our Christmas Icicle Lights are available in warm white (WW) or cool white (CW) color temperatures. Due to its IP44 protection, it can be used both indoors and outdoors. The 8-meter long string features 360 LEDs, while an additional 5 meters of cable ensures convenient access to a power source.

You may find the detailed operating instructions in the box.
