PRODUCT DESCRIPTION

With the help of Entac power adapters we can expand our options even in indoor rooms with few power sources. We provide a solution for using earthed and Europlugs. Of the adapters with an earthed socket there are versions with 2 or 3 sockets. Our Euro adapters are available with 2 sockets, as well as in a mixed version with 2 Euro and 2 earthed sockets. We may also choose from adapters equipped with a switch, available with 1 or 2 earthed sockets or in a mixed version with 1 earthed and 2 Euro sockets. Besides these, we also sell the classic T-shaped strip with 3 earthed sockets.

Entac has a number of different product categories that can be viewed at the [link](#) below.
